

December Praise and Prayer Newsletter

Dear Friends,

Thanks for your continuing support of Edinboro Camp. I never tire hearing stories of lives that were changed at Edinboro Camp. What a blessing to be part of a great legacy.

Praises: Heat. Specifically, we are 90% done adding heat to our youth tab. Like many things in life we thought, "This should be an easy task." Well nothing hard is ever easy. Trying to heat an old building that has never been heated before runs into some difficulties, including designing a system that will heat the place efficiently and affordably.

Thankfully we have a lot of friends who believe in the work of Edinboro Camp. We looked at a variety of different options, all with their pros and cons. Finally, we figured out the best solution for our needs and we decided to go with two furnaces in the back of the youth tab.

The decision turned out to be the easy part. We realized that we would have to run a gas line from the family center tank to the youth tab. That was a challenge too. All in all, it took some dedicated, talented people to get this job done. We have the final electric hook up left, but it should be done for Snow Camps!

It will be great to have this space for our snow campers so they can hear and focus on the wonderful message of the Gospel. A huge thanks to all who have been helping with this project.

Prayer Concerns:

2023 Snow Camps:
Jan 13-15 (9-12 grade)
Jan 20-22 (7-8 grade)
Feb 3-5 (4-6 grade)
Feb 10-12 (1-3 grade)

Snow Camps. Things are coming together for our snow camps. I believe in our snow camps. They are a great time to pause and refocus on God. Let's face it, the school year for our kids can be tough. Snow camp gives them a chance recharge to live out the life that God is calling them to.

I remember the first time we had a snow camp we had campers for one weekend. Eventually we decided to have two weekends. Then we moved to three weekends. This year we have campers coming for four different weekends! We are excited about this because hopefully it will give us some more space and be easier for our speakers to communicate to a narrower age group.

All registrations before January 2nd will receive a long sleeve t-shirt. There is also an option to add highly desirable Edinboro Camp sweatshirt for a discounted price.

Parent/Grandparents, are looking for a gift that your child/grandchild will love, doesn't take up much space, and has the potential to be life changing? A snow camp registration is that gift!

Merry Christmas. Since this is the Christmas Season, take the time to focus on the birth of the Savior of the world. Enjoy it, give thanks, and tell others about our Savior. Merry Christmas and thank you for all your prayer and support of Edinboro Camp! **Dan and Heather Borchert**
