

# May Praise and Prayer Newsletter

Dear Friends,

First let us say thanks for all your support. It is a blessing from God to be a part of this life changing ministry that has been going on since 1951. We are trusting God do bless us even more in the future.

**Praises: Quizzers.** We had the privilege of hosting the Western PA C&MA quizzing finals. If you have never seen quizzers in action, we encourage you to watch them memorize Scripture and compete against one another. Such a great way to motivate young people to memorize Scripture.

**Speaking at Churches.** It is a joy to be able to speak at different churches. You always are blessed to realize how big God really is. We never tire of hearing stories of how Edinboro Camp impacted their lives. The other week Dan had the opportunity to speak at Titusville. At the end of the service, he had the opportunity to take a picture of him with two of his campers from 30 years ago. What a great testimony for Edinboro Camp to see these campers from 30 years ago serving God today.

**Spring Cleaners.** What a blessing it has been to have groups call and volunteer to help get our beautiful camp ready for all our summer activities. Let's face it: winters in northwestern PA are brutal. To have energetic groups pick up sticks, clean buildings, rake stones, and move various things to get the camp ready is a tremendous help. When you are here this summer, be sure to thank God for these various teams that got everything ready.

## Prayer Concerns:

**Summer Youth Camps.** Yes, we know we mentioned it last month. But our youth camps are coming up! In about 6 weeks we will have the privilege of seeing kids run around while learning about God. Please be praying for us:

- #1: Pray for safety
- #2: Pray for the kids that are attending
- #3: Pray for the kids that are still deciding about going
- #4: Pray for our staff
- #5: Pray for God to do immeasurably more than we can imagine

**Water System:** We are in the process of updating and upgrading our water system. We are always looking to grow. We are always looking for ways for more people to enjoy this beautiful God given camp. Our water system is not the most exciting upgrade, but one that will ensure growth potential in the coming years. Please be praying for God's leading and our discernment for the best water system possible.

**Memorial Day Camping Extravaganza.** Join us Memorial Day Weekend. We will be having a camping weekend. What is a camping weekend? Basically, an opportunity to get away, go camping, and hang out with like-minded friends. We will have a couple of activities planned, but it is a great time to sit around the fire and enjoy God's creation. We will have the cabins and dorms available if you would like to stay in them or you may bring your camper. If you would like to make a reservation or want more information, please call or email us.

**Kitchen Shower:** During our Memorial Day Weekend Camping Extravaganza we will be having a kitchen shower. Our kitchen items are starting to show their age. A lot of our items were old when we used them in the Farm House. Loomis Lodge has been here for 26 years. Saturday May 27<sup>th</sup> at 2:00 p.m. join us for a fun party and a great cause.
