

July Praise and Prayer Newsletter

Dear Friends,

What an incredible summer it has been! The thing is that the summer is not even close to being done! God is at work at Edinboro Camp!

Praises: Youth Camps. There is not enough space in this newsletter to adequately tell you of the things that God has been doing in the lives of our youth. To see God working, to see the Holy Spirit moving, and to see lives changed is such a blessing.

Our staff has been fully committed to serving our kids. They have been putting in long, tiring, exhausting days and then

going to bed and doing it all again the next day. The work is tough, the days are long, but God is good. The lives that have been and are being changed are just incredible! Stories will be told in the coming months of those who went to camp and have been completely changed. Stories of those who gave their life to Christ. Stories of those who have committed their lives to do the work of the Lord. As we sit here and write this in the middle of youth camps, all we can say is “praise the Lord”

New Van. We had a need, sought the Lord, and He provided. That should not be surprising but it is always nice when you see the Lord answer your prayers. We thank God for our new van that was donated to us. We can't wait to use it as a tool to change lives.

Youth Campers. Pray that the work that was started at Edinboro Camp will continue, that our youth will continue to build on what they learned at camp this summer, and that the passion they showed during camp will continue throughout the year.

Staff. We put a lot on our staff. The days and weeks are long, exhausting, and draining, but our staff is willing to put the effort into it because of what God is doing in the lives of our campers and even their own lives. God has done some amazing work. Pray that our staff is able to get the rest they

need. Pray that they stay healthy. Pray that they will be able to process all that God has done in them and through them. That might be the hardest part: there is just not the time of the day to process everything God has done.

Family Camp. Family Camp is shaping up to be an incredible week. We can't wait to see what God has in store for everyone. Pray for hearts to be ready to receive the Word of the Lord. Pray that those who are on the fence about coming would come. Pray for a time of renewal and refreshing for all who attend, and if you haven't made your reservation yet, we strongly encourage you to do that soon. You don't want to miss out!

Nursery Workers. Please be praying for adequate number of cleared nursery volunteers for Family Camp. It is a blessing for parents with little kids to be able to participate in the evening service at Family Camp because there is a place for their little ones to be. Be praying for enough helpers to make this possible. Perhaps the Lord is speaking to you. If that is the case please Krista Fritz at 814-573-8419.
