

December Praise and Prayer Newsletter

Dear Camp Friends and Family,

Thank you for all your support this past year. We were praying that 2023 would be a fantastic year of seeing people grow in their relationship with Christ. God answered those prayers! It was amazing to see the number of lives that God changed!

Praises: One of the aspects of our camp that does not get mentioned enough is the development of future church leaders. We put a lot on our staff. That is intentional. We know that the days are going to be long. Getting up in the morning and investing everything you have in the kids lives until it is time to go to bed at night makes for a long hard day.

However, it is those times of exhaustion when all is left is God that you often discover God's direction and leading in your life. Nothing puts a bigger smile on my face than when we see those who have been on staff at our camp becoming leaders in their churches. The Lord has gifted us differently. Some of our staff realize that they connect well with little kids. Some realize that the Lord gave them a heart for those Jr. High kids. Some of our staff realize God has called them to be missionaries overseas. Some of them realize that God wants them to be a leader in their local church. We celebrate all of that. To see the Lord working in the lives of our staff is a such a blessing. We are so thankful that we are able to provide the opportunity to these future leaders of the Church.

Prayer Concerns:

Snow Camps. Our Snow Camps are coming together quite nicely. We are getting super excited about what God has in store for all who are part of the great fun. We encourage everyone to register before December 27th. After the 27th the registration fee jumps \$30. Please encourage "your kids" (Meaning your actual kids, your grandkids, your church kids, your neighbors' kids, your best friend's kids) to attend. Snow Camp registrations make for wonderful Christmas presents. If you need help with this, just

contact us and we will be able to assist you. If there are financial concerns, get ahold of us to see what assistance is available.

2024. As we look forward with great anticipation for what God will do through Edinboro Camp in 2024, we need your support. We need your continuing *prayer* for

the camp that God will get a hold of lives and change people forever. We need your *time* to accomplish all the of the tasks that it takes to keep the camp running. And we need your *financial support* as well. We do not do this to build the nicest facilities. We do all of this to reach more people for Christ. We need your support to continue the work that God has been doing here for 72 years.
