

February Praise and Prayer Newsletter

Dear Edinboro Camp Friends,

Greetings friends. Hope you are all having a wonderful winter. It might be a little cold some days, but the Spirit of God moving at Edinboro Camp makes our hearts warm! Thank you for being a part of that.

Praises: Snow Camps. As we write this, we are ½ way through our snow camp season, meaning we have had our two order groups already, and we have our two younger groups coming up. So far everything that you would want from snow camp has occurred. The first weekend there was not that much snow, but enough for those crazy teenagers to make some snowmen. For the Jr. High weekend, there was more than enough snow falling while everyone was arriving and throughout the entire weekend. Our guess was about 1.5 feet (not inches) were on the ground.

Snow is great and everything, but our desire is not to have a lot of snow. Our desire is to see people move towards Christ. We have been seeing that. From the conversations we have with our students and their parents, it is evident that God is moving. Lives are being changed. Our students are getting closer to God. We love to see the campers forming lifelong relationships with one another. It is so much fun at registration to see the campers get excited when they see their friends they haven't see in a while, sometimes since summer. Knowing those relationships will continue the rest of their lives makes us smile!

Prayer Concerns:

Summer Camps. Registration is open! We have our registration up and ready for your kids to sign up starting February 1st. Our summer camp brochures are at the printers and we will try and distribute them to everyone as soon as they are done.

So, what can you do? We are glad you asked. Start telling all your friends/family with kids who are ages 6-18. Invite everyone you know. It is so worth it.

Join us now in praying for our summer camps. Be praying for our staff that will be leading, our speakers who will be speaking, and for our campers' lives to be changed by God.

We are looking forward to telling you stories of changed lives that happened at our summer camps!

Soup and Chili Cook off, March 16th, noon to 2pm. We will be having our annual soup and chili cook off. This is a fun

time to eat food and see all your friends. We are looking for soup, chili, and deserts entries. All you need to do is to contact us and tell us what you are bringing. Watch for more information on our social media and through email.

Thank you for all your prayer and support. God has already done some great things in 2024 and we are only one month into it. We can't wait to see what God does

during the next 11 months!

Dan and Heather Borchert
