

# April Praise and Prayer Newsletter

Camp Family,

We are so excited! Just the other day the last of our snow from the winter has melted! We have been watching all the ground shift from winter to spring. In some places the ground moved more than six inches. Even better, we get to celebrate the resurrection of Jesus Christ soon!

**Praises: Tractor.** We have heard from many of you who have been praying for our tractor search. Thank you for that!

It is so encouraging to know we have people supporting us. Great news: We have a tractor! God led us to find a tractor that checked all the boxes and will be a great work horse for us at camp for a long time! We can't tell you how excited we are to be able to use this tool to accomplish the never-ending list of projects around camp. We were able to put a pretty sizable down payment on the tractor thanks to our wonderful supporters who gave specifically for the tractor. We still need \$18,000 to pay off the loan for the new tractor. You can give on our website under "capital campaign" or send a check to 12940 Fry Road, Edinboro, PA, 16412. In the memo write "capital campaign – tractor".

**Summer Camp Registrations.** One of our favorite times each year is getting emails from our registration system about campers registering for summer camps. This is both a praise and prayer request all in one. We thank God for every registration! We also begin to pray that God will work in their hearts. Currently we are about 10% ahead of last year's registrations. **April 15<sup>th</sup>** is not only Tax Day but also the last day to enjoy a \$20 early bird discount on camp registrations. Our youth camps have been going strong since 1951. They are at the core of who we are as a camp. There are people all around the world who have taken that break from the ordinary and experienced the extraordinary at Edinboro Camp. Please send your kids, your grandkids, the kids from your church, even the kids in your neighborhood. A week at Edinboro Camp is often life changing.

**Prayer Concerns: Preparation for summer.** It was a hard winter for all of us. Be praying for us as we get all of our facilities ready to be welcoming and accommodating for everyone who comes to these beautiful grounds. Winter is tough on everything, we have some work to get everything ready. In less than two months, we will be running at full capacity. Be praying that we have all the correct staff, speakers, and helpers. Be praying that God uses these individuals to do immeasurably more than we could think or imagine.

**Giving.** Please pray for our finances. We need more monthly givers. If you feel led to become a monthly giver, you can set it up online, through your bank, or with a check sent to the camp every month. If you need assistance in getting everything set up, please give us a call. Please keep us in your prayers. God is going to do some amazing work in the lives of those who come to Edinboro Camp this summer. Keep praying! Thanks so much for all your support! **Dan and Heather Borchert**
