

May Praise and Prayer Newsletter

Camp Supporters,

We recently celebrated the resurrection of Christ. We are starting to experience spring. Leaves are beginning to grow. We can't tell you how excited we are getting for the summer. God is going to do some great things this summer, and we can't wait to see them.

Praises: Staffing for the summer. What an honor and privilege it is to be able to put together a staff of the quality and the commitment to Christ that we have for our youth camps. We have some of the finest young men and women from many different churches coming together for the purpose of pointing our campers to Christ. Serving at Edinboro Camp causes spiritual growth in the staff's lives. What an opportunity for discipleship. What an opportunity for training. What an opportunity for figuring out direction in their lives. At the same time, these teens and young adults are pouring their lives into the lives of our precious campers. It creates this never-ending cycle of discipleship and it is beautiful to watch. We are looking forward to serving with our summer staff. We are looking forward to the impact on their lives, and we are looking forward to the impact they will have on our campers.

Summer Camp Registrations. We are currently running about 20% more camper registrations compared to last year. That is encouraging! It is not about numbers for numbers sake. It is about 20% more lives that have the opportunity to leave the ordinary and experience the extraordinary. The way our registration system is set up, every time a camper registers for camp, we get an email saying so and so registered for whichever week. Those are our favorite emails, because they are both an answer to prayer and a prayer request. We thank God for sending them to camp and we begin to pray for their week of camp, that God will do immeasurably more than we could ask or think. And God will! Please, if you have been holding off on registering your child, now is the time. May 15th the price increases, so register soon! Invite all of your neighbors, church friends, coworkers, and relatives. It can be a life changing week. You want to be part of it!

Prayer Concerns: Getting Camp set up for summer mode. Since it is finally warmer, we have begun getting camp all ready for the summer.

You never know what is going to happen. We do our best to have everything put away for the winter, but it takes a while to get everything going. So far, we have had no major issues! However, we still have some more water to turn on, grass to cut, refrigerators to get up and running, and a variety of other tasks. Please be praying for safety and that everything goes as well as it can. If you would like help, give us a call.

Memorial Day Campout. We are having our Memorial Day Camp out May

23-26. It is a low-key weekend that includes a lot of time to sit in front of a fire. We will have some games and activities, but mainly, it is a great time to get away from the ordinary and experience the extraordinary. Be praying for a great weekend.

Giving. Our desire is to have as many people as possible get to experience God at Edinboro Camp. Your giving enables that to happen. We thank you for that and ask that you consider the ministry of Edinboro Camp, not just in the summer, but all year too. God is going to do some great and mighty work this summer. We cannot wait to tell you all that He did. Please be praying for Edinboro Camp. Thank you and God Bless.
